# PORTABLE WHEELCHAIR RAMPS

## Folding suitcase ramp

### FEATURES

- Ramp width: 28½in (720mm)
- Ramp length options: 24in to 96in (609mm to 2438mm)
- Anti-slip ribbed aluminium tread plate
- Supports loads up to 43st (272kg)

**A lightweight, folding suitcase ramp design with integrated carry handle, it provides safe, nonslip wheelchair access into and out of the home.**

Designed to support standard UK doorway widths, our portable aluminium ramp is made available in a range of five different lengths to support different threshold heights.

The ramp is weather-proof and requires no groundworks.

Simple to install and remove, the portable wheelchair ramp from Ramps For Access minimises disruption to the home. It's also easy to store and refurbish for reuse, helping budgets go further and making it better for the environment.
